THE WHITE HOUSE  
WASHINGTON

President's  
Foreign Intelligence  
Advisory Board

November 30, 1984

Dear Bill:

(U) I want to thank you and John for joining us at our November Board meeting. In addition to your useful updates on many issues of concern to the Board, I think we worked out a way to crack the nut on one of our most loathsome problems: intelligence leaks threatening our national security. Your gracious support and counsel on the leak initiative helped the Board enormously.

(S) Bill, in light of the latest revelations uncovered by Project  the Board will follow with much interest the ongoing deliberations to curtail the threat of hostile presence and to achieve more equitable arrangements at our foreign missions.

25X1

(U) Again, thanks for the great job you are doing and I look forward to working with you and giving the President our best advice and most candid views on intelligence matters.

Sincerely,

A handwritten signature in cursive script, appearing to read "Anne".
